**“Fauci is a front man for Big Pharma.**

**He controls academic lies, and has an incentive to support the fearmongering – he did it before with HIV and AIDS. He’s a master at it . . . He’s been there during Reagan, the Bushes, Obama; he’s close to the Gates and all these other foundations. This guy’s a lifer. HE /S DEEP STATE. HE’S DEEP STATE PHARMA”**

Well, well, well, Globalist population control Bill Gates shortly after his India trip with Dr. Fauci.

I knew I did NOT trust Dr. Fauci, and now I know why.

For those of you who follow closely Bill Gates is a globalist who funded the Coronavirus vaccine and owns the Wuhan lab in China. Soros is his partner.

India is suing Bill Gates because he vaccinated 77,000 third world girls between the ages of 9 & 15 and many of them died.

Finally, to control this epidemic and strive toward its end, effective interventions must be paired with political will and economic resources. The President's Emergency Plan for AIDS Relief, the Global Fund to Fight AIDS, Tuberculosis & Malaria, the Bill & Melinda Gates Foundation, the Clinton Health Access Initiative and other programs have made remarkable strides in fighting HIV/AIDS by smartly investing dollars in targeted, proven interventions, and working with partners at the international, regional, national and local levels around the world. These programs save lives -- according to UNAIDS, from 1995 to 2012, antiretroviral therapy averted 6.6 million AIDS-related deaths worldwide, including 5.5 million deaths in low- and middle-income countries.

Fauci Lied, and People Died.....Not only did Dr. Anthony Fauci use your money to create a more contagious and deadly coronavirus, he actively used his position to block a highly successful treatment for the monster he helped create. His words and actions kept an effective solution out of the hands of the people resulting in unnecessary loss of life. Fauci must go!

In 2005, Dr. Fauci was both chief of the lab and director of the National Institute of Allergy and Infectious Diseases (NIAID), which is an institute within the National Institutes of Health (NIH). The NIH published in the Virology Journal research that "Chloroquine [a form of hydroxychloroquine] is a potent inhibitor of SARS coronavirus infection and spread." "Scientists may have found a treatment for a deadly new [Middle East Respiratory Syndrome] coronavirus," according to a 2013 USA Today article. In the same article, Dr. Fauci encouraged immediately using this treatment on the MERS-CoV, which included hydroxychloroquine [HCQ], according to Free Republic. Even without trials, in 2013, Fauci said, "If I were a physician in a hospital and someone were dying, rather than do nothing, you can see if these work." And the drugs did.

Dr. Fauci had never treated a single COVID patient during the pandemic. In contrast, the Henry Ford Medical Center is a group of at least 18 hospitals. They did a peer-reviewed study on a treatment using HCQ for more than 2,500 people. They compared the hospitals' original COVID-19 mortality rates to mortality rates after the hospital started patients on HCQ and dexamethasone. The Detroit-based system saw this treatment cut mortality rates cut in half for its hospitalized COVID-19 patients (from 26% to 13%). But instead of praising this hospital system's fantastic work reducing mortality by 50%, Dr. Fauci attacked and discredited its efforts to save as many lives as possible. He labeled the study "flawed" because of the human compassion to provide the best treatment possible. Fauci attacked these medical professionals because they didn't heartlessly place innocent people—with families and loved ones—into a study that doctors knew would deny them access to this lifesaving treatment! <https://lcaction.org/detail/210605fauci-lied-and-people-died>
