

DEEP STATE

DESTROYER SERIES—VOLUME 6

The DEEP STATE and CABAL have spent many billions of hard-earned American dollars which they have confiscated through a crooked tax system. Paying “talking-head” major MASS MEDIA “newscasters”. They want to limit what you can know and to make sure almost everything the Controlled Major Mass Media (CMMM) is lies and dispensed propaganda. This helps keep this super-elite deviant Ruling Cabal in power and keeps important essential truths from the public.

The Federal Reserve Bank is a foreign-owned private central bank which creates imaginary, fiat money out of thin air only, is no more federal than Federal Express shipping company, has no reserves, and is basically an unconstitutional "sleight of hand" fraud operation which charges American citizens interest illegally to use what should be their own money. Its twelve stockholder/owners are kept secret. The FEDERAL RESERVE ACT was supposedly passed to prevent depressions but has been used to create them on behalf of the Ruling cabal so that they can pick up more assets at huge discounts. This fraudulent system generates mass debt slavery through pernicious usury.

The Internal Revenue Service is incorporated in Puerto Rico and is the private collection agency for the Federal Reserve Bank. It too is completely illegal but is able to steal the taxpayer's money by use of brute power, a hijacked and compromised justice system and brutal police state style "boot in your face" power. The top Cabal members who control the insurance industry. It has a means to bring all taxpayers and citizens together under the massive daily control of the IRS who are designated to be the enforcers. They have access to everyone's bank accounts and can seize assets at will even if in error.

THEFT-BY-DECEPTION: 98% of all Americans have never actually read the income tax laws to understand that Americans whose total income is from the 50 states is EXEMPT from the law itself...the law shows that the income is only taxable from Americans who earn foreign income and Foreigners earning domestic income. Consequently, THE DEEP STATE HAS LIED TO YOU!! The misrepresentation and misapplication of the United States federal income tax constitutes the largest acquisition of wealth by way of deception in history. A handful of government lawyers fabricated an intricate maze of legalese which created a perfectly Constitutional tax (a tax on income derived from certain types of international and foreign commerce), but which at the same time could easily be misread to give the impression that the income of all Americans is subject to the tax. For decades, the American people have been "conditioned" by the DEEP STATE to believe that the income tax applies to all income and trained to pay "their" taxes. All the while, however, hidden in a previously nearly universally misunderstood (therefore misapplied) section of the law known as Subchapter N, Section 861 was the truth that the income tax is NOT a direct tax on incomes but is an indirect tax imposed only on those individuals engaged in certain types of international and possessions commerce. Most Americans are engaged in purely domestic commerce (commerce that occurs entirely within and between the 50 states). Subchapter N proves that domestic income received by residents of the United States (most incomes) is not taxed, due to Constitutional restrictions on Congress' power to tax. https://www.youtube.com/watch?v=AMDVv_4Lt4o

The DEEP STATE and Cabal families know that they must keep truth from the people in order to continue in power, and now the advent of the worldwide Internet is posing their greatest threat ever. Their demise may be right around the corner. Some of the oldest most senior members of the Cabal believe that the only way to stop this erosion of their control over truth that the Internet now presents is to elicit a major nuclear WW3 that will radically depopulate the earth and convert the political structure back into a Middle Ages type feudal King/Serf system. The Federal Reserve Bank is a foreign-owned private central bank which creates imaginary, fiat money out of thin air only, is no more federal than Federal Express shipping company, has no reserves, and is basically an unconstitutional "sleight of hand" fraud operation which charges American citizens interest illegally to use what should be their own money.

DEEP STATE/SHADOW GOVERNMENT OVERVIEW FROM CIA WHISTLEBLOWER

Kevin Shipp was a decorated CIA officer who refused to look the other way in regard to government criminality and cover-up. At a very important public awareness event in Northern California, on July 28th, 2017, Mr. Shipp presented a shocking and compelling presentation on numerous, horrific and ongoing government crimes. The total persecution of anyone who dares to tell the truth about rampant government tyranny is also fully exposed. The paradigm we have all known has been built on deception and the dark agendas of the global power structure. The courage Kevin Shipp has shown by doing his best to expose government criminality and tyranny serves as a stellar example to us all.

THE MAIN THREAT TO THE DEEP STATE

(Military/Industrial Complex) & THE SHADOW GOVERNMENT (U.S. DoD & Intelligence Agencies) IS TRUE CHRISTIANITY & A BIBLICAL WORLD VIEW. To overcome the moral obstacle of TRUE CHRISTIANITY to the creation of a New World Order, the Deep State and Shadow Government have engaged in a decades old pervasive campaign to remove True Christianity from all social, political, economic, cultural & religious institutions of the United States by DESENSITIZATION of Sheeple by a flood of sexual immorality especially the HOMOSEXUAL AGENDA of all the world religions. Only Christians and only Christianity can successfully defend against CIA/DIA Mind Control technologies. (Per Dr. Robert Duncan, PhD, CIA & U.S. Department of Defense)

The Active Faith of True Christians acts as a mental shield against CIA Mind Control technologies. The probability ratios of their technology is repeatedly failing against one category of people. It is repeatedly failing against what they call the 'JESUS FREAKS' meaning those Born-Again Christians, whose Active Faith is based on a pure gospel.

GOD AND TRUTH ALWAYS WIN!!!

The SOUND BIBLE BASED DOCTRINE of Jesus Christ Christian content not only breaks brain entrainment with their RNM System of Remote Neural Networks but it DE-PATTERNS, or deconstructs, their ability to rewire the victims memory and thought process.

CIA/DIA CONTRACTORS

CIA/DIA Contractors have no choice but to torture and kill True Christians because their mind control technology is failing across the board against this small sub-category of the public, meaning the Re-Born from Above Child of God in Christ Jesus.

SEVEN DEADLY SINS

"They manipulate people using the Seven Deadly Sins and if you can purify yourself spiritually [in Christ] then they have no levers left with which to control you" (per Dr Robert Duncan, PhD, CIA & U.S. Department of Defense) The seven deadly sins in the Bible are known as capital vices, or cardinal sins, because it is from the Seven Deadly Sins that all other sins arise out of. Immoral behaviors or habits fall under these seven categories because they are the main sins that give rise to all other immoralities. They are pride, greed, wrath, envy, lust, gluttony and sloth CIA/DIA Contractors target people with the Seven Deadly Sins to learn how to achieve Direct Behavioral Control over the masses. Why? Because the faith & belief system of religious groups, especially Born-Again Christians, is an important METRIC for CIA/DIA training research & development in Artificial Super-Intelligence technologies. Most of the mega-churches in America are infiltrated by Deep State Contractors masquerading as Christians for this same reason.

DESPERATE DEEP STATE

DO NOT DOUBT THE EXISTENCE OF THE SO-CALLED DEEP STATE!!!

For those who doubt the existence of the so-called DEEP STATE, recent unsettling news provides more than ample proof it exists. Indeed, not only does the DEEP STATE exist, it's far more dangerous to Americans' liberties than first thought. The DEEP STATE consists of thousands of evil people in Hollywood, Politics, Banking, priests, the Vatican, CIA, news media and more. Most democrats are part of the DEEP STATE. The DEEP STATE is based around pedophilia, money, power and satanism. American DEEP STATE is a massive informal government comprised of untold thousands of bureaucrats, technocrats and plutocrats committed to driving anyone that threatens their power. It stretches across the whole of the federal government – indeed the entire country. And it includes not only bureaucrats, but also a galaxy of contractors, profiteers, and others in the nominal private sector.

At this point, it is not likely that “double government” will evoke the same power and significance as the DEEP STATE. Since the spring of 2017, the deep state has become firmly entrenched within America’s political diction as the principal expression associated with parallel sources of power or clandestine politics. Efforts to define its substance have since varied from sincerely earnest endeavors to acts of pure ridicule. In the last year, the term has assumed an especially partisan connotation within the United States.
