## DESTROYER SERIES—VOLUME 13

Connect the DEEP STATE by using its many symbols to reveal its presence. There are many terms used to describe the Deep State. You may have heard of the Cabal, the Elite, the Illuminati or the Freemason Society. This is the network of elite individuals who have been planning a “New World Order” dating as far back as the 1940’s.

## **ALL-SEEING EYE ON A PYRAMID**

The combination of the All-Seeing Eye floating in a capstone over a 13-step unfinished pyramid is the most popular Illuminati symbols and by far the most recognizable symbol of the Illuminati. The eye represents the Illuminati ruling from their position on the capstone of the pyramid. They are very few at the top while we are many at the bottom. The all-seeing eye on the pyramid was added to the reverse side of the Great Seal of the United States and finally adopted by Congress in 1782. In 1935, President and 33rd degree Freemason, Franklin Roosevelt added the front and back of the Seal to the one dollar bill. See more about the [Illuminati symbol](#), [Pyramid](#) and [All-Seeing Eye](#).

## **The Star of David ?**

**Nowhere in the Bible or the  
Talmud is this referenced as the  
Star of David**

**However, the Bible does  
reference this to be  
the Star of Remphan  
belonging to Moloch (Satan)**

A "cabal" of powerful Satan-worshiping pedophiles, including high-powered Democrats, run the DEEP STATE. The DEEP STATE implies a view of the state as a monolithic, unitary actor. While the DEEP STATE is usually said to be a network of individuals and agencies, it is assumed that these component parts are held together by a common will or mission (in this case, something like defending the "unified interest". The leaks are a power play by a unified DEEP STATE. In talking about the "DEEP STATE", the crucial point is that there is an institutionalized power that constitutes its own foundation, and is therefore opaque, mysterious, and beyond the reach of citizens. The DEEP STATE, which controls the media, always tries to smear truth through "fake news".

DEEP STATE'S GREATEST FEAR IS YOU FINDING THEIR MONEY. The Money Laundering System is the best kept secret of the DEEP STATE. When you are stealing the wealth of this country you need help from your friends. Epstein and Maxwell were the launderers to the stars of the DEEP STATE. He was their buddy and he would entertain his clients, always knowing this kind of evil has no friends. Maxwell knew the danger of not just their secrets but their money and how it's laundered. Did Epstein and Maxwell video tape and keep records of the acts of evil? Epstein and Maxwell knew they could lead you to not only the money of the DEEP STATE but the biggest players in the DEEP STATE. A billionaire with the darkest secrets of this country doesn't commit suicide. The FBI is the keeper of the secrets of the DEEP STATE. Will those secrets die with Ghislane Maxwell?

The purpose of gaslighting the media is to create in the agents of the DEEP STATE, and their liberal stages, a false sense of security. The goal is to foster a surreal dissociative sense of cognitive dissonance. The alternative conclusion being that the entire liberal media establishment has been chasing a giant fiction. The more probable and terrifying this possibility, the more cognitive dissonance it will create. Mueller lead the big guns of the DEEP STATE fixers on a slow and steady march directly into the jaws of military justice. the DEEP STATE FBI and CIA agents marched deeper into their treasonous plot to frame and impeach the POTUS Donald Trump.

The Key Players In The 'DEEP STATE' Are All Republicans

Deputy Attorney General Rod Rosenstein, FBI Director Christopher Wray, former FBI Director James Comey and special counsel Robert Mueller, also a former FBI director.

IS THE MILITARY IN THE PROCESS OF TAKING DOWN  
REMAINING DEEP STATE PLAYERS?
