NESARA

National Economic Security and Reformation Act

GESARA

Global Economic Security and Reformation Act

Today, March 7, 2022, the quantum energy conversion has begun. Starting today, all banks in the world will use the Quantum Financial System (QFS) exclusively. SWIFT, the current cabala banking system, will be handed over to history. All banks trying to transfer money through SWIFT will lose their license. White Hats don't play! The last nail was planted in the coffin of "money laundering" and corrupt actions. When the general population and those involved in illegal activities learn that the QFS is tracking the money movement in more than 50 movements, sweat will drop on their forehead. THE QUANTUM HAS BEEN ACTIVATED AND THERE'S NO GOING BACK! Cheaters can't cheat anymore. N*E*S*A*R*A/ G*E*S*A*R*A is underway and this is the moment when we will see the end of the tyranny of WEF (World Economic Forum), the WHO (World Health Organization), the UN and their evil relatives.

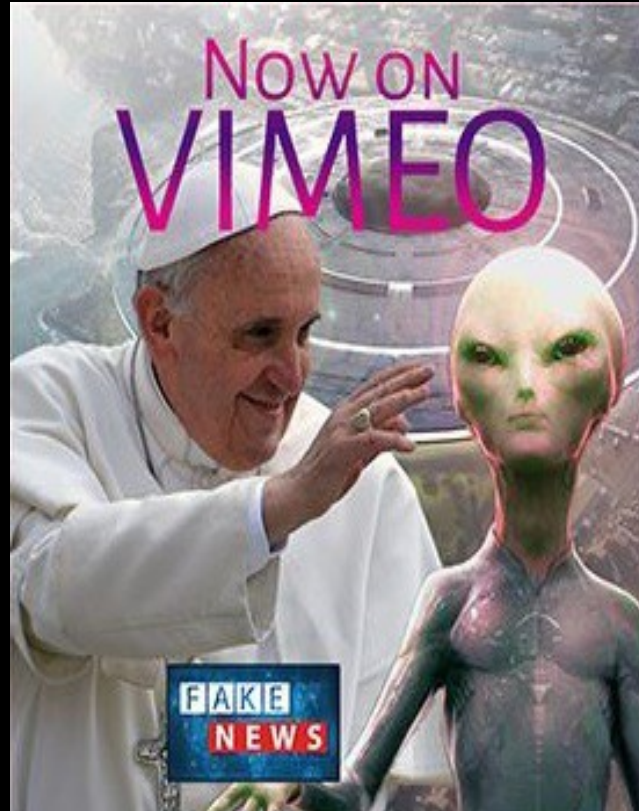

It is worth remembering that on March 1, 2022 the cabal announced that it would punish Russia excluding payments from SWIFT system from March 3, 2022. White Hats are always a few steps ahead. Did they know at the point that the new QFS banking system was activated and the entire established elite was left out. So, starting today, the Russian ruble is backed by gold and bullet proof. Dr. Charlie Ward, head of the Global Currency Buyout Team, personally confirms that this information comes from five different valid sources. Wells Fargo Bank has obtained codes from the Federal Reserve for the Restored Republic of the United States to access funds. This was an incredible venture! The server of the Rothschild Bank was in Ukraine and was seized by the Russian Spetsnaz. Vladimir Putin has banned Jacob Rothschild and his New World Order banking cartel family from entering Russian territory "under any circumstances." Putin recently reminded his cabinet that he paid off the Rothschild's debt and "grabbed them by the scruff of the neck and kicked them out Russia's back door." On March 5, 2022 President Vladimir Putin announced that Russia has finally freed itself from the bite of this family. "I am happy that the next generations will live without the chains of Rothschild". - Vladimir Putin. We've reached the final stage - the TV channels and the cable media - are the only ones left, and without a master. So those who are currently raging against Russia and President Putin in front of TV will be surprised to know they are not paid to do it. Let's clarify that the White Hats are the New Global Military Alliance, which originally included 17 countries and then 32. It was created for the liberation of humanity from 6,000 years of slavery in the DEEP STATE, also known as the cabala. More importantly, the Rothschild bank servers are in Ukraine and have now been seized. The game is over for them. Very interesting to note that the United Nations is not allowing Russian Foreign Minister Sergei Lavrov and his delegation to visit the UN in Geneva.

As the predicted days of darkness temporarily settle in upon the US and world stage, a great effort is taking place behind-the-scenes over the future direction of humanity as many White Hat groups and leaders are stealthily overturning DEEP STATE operations. Among such groups is the Earth Alliance, a loose association of military and political White Hats from major countries who have been battling the DEEP STATE. The leaders of the New World Alliance/White Hats are Presidents Donald Trump, Vladimir Putin, Xi Jinping and Indian Prime Minister Narendra Modi. The commander-in-chief of the Alliance is President Donald Trump. The White Hats gained a decisive advantage due to the widespread public exposure of DEEP STATE plans to socially engineer a Great Reset through systemic election interference, a staged pandemic, social media censorship, and worldwide suppression of civil liberties. Failure of the DEEP STATE'S plans will have major consequences for the repressive political systems of client countries such as China, Iran, and North Korea that were infiltrated decades ago by the DEEP STATE and manipulated.

As previously mentioned, the key political leaders in the Earth Alliance include President Donald Trump, who has begun the process of releasing advanced aerospace technologies through the creation of the U.S. Space Force. Russia's Vladimir Putin who has allowed many breakthrough technologies to be released and thoroughly frustrated DEEP STATE plans to incite another World War. China's Xi Jinping, who has battled the nefarious influence of his predecessor, Jiang Zemin, who still controls many advanced technology projects used to suppress the Chinese populace. Finally, India's Narendra Modi has tirelessly worked to bring out into the public arena the antigravity technologies used in ancient India's space program. These key leaders, along with many others, have been covertly collaborating to bring about the demise of the DEEP STATE both in their respective countries and across the globe.

BEWARE OF THE COMING ALIEN FALSE FLAG PSYOP

The NASA Blue Beam Project

According to the late journalist Serge Monast, NASA is planning on projecting giant 3D holograms of religious figures into the atmosphere to initiate a spiritual apocalypse among world religions.

Through PROJECT BLUE BEAM, CIA, NSA, USAF, NASA, and their affiliates are sacrilegiously projecting sacred images into the sky to manipulate good people. As FBI Special Agent Ted Gunderson attested, the Deep State is run by satanists. Following Special Agent Gunderson's retirement, he continued his lifetime of public service in a campaign to expose rogue elements operating within the United States government, financed by international criminal operations involving gambling, drugs, illegal surveillance, gang-stalking, prostitution, child abuse, rape, kidnapping, and human trafficking. MK-ULTRA, PROJECT MONARCH, and the ECHELON PROGRAM are some of the black operations run by rogue elements in the CIA and NSA, against which Special Agent Gunderson fought.
