ARMAGEDDON AND THE BATTLE OF GOG AND MAGOG

Two Major End-time Wars

Bible prophecy points to two major wars against Israel in the last years of this age - just before Christ returns.

The first war (the Gog-Magog war) is essentially an Islamic war against Israel, and many nations are simply observers

The second war (Armageddon) involves all gentile nations and is, in reality, a man-God war. It is terminated by the return of Christ

In summary, the battle of Gog and Magog is the future invasion of a coalition of nations, including Russia, Turkey, Iran, Sudan, and Libya (Algeria/Tunisia), against Israel near the midpoint of the Tribulation, motivated by acquisition of material wealth.

This is when Israel will be attacked by a coalition of nations from every direction. The prophet Ezekiel describes this invasion, known as the Battle of Gog and Magog, in Ezekiel 38-39. This coalition of invading nations will be motivated by a seething desire to eradicate Israel, enrich themselves, and entangle Israel's allies in the war.

This passage discloses the purpose that God has for bringing Gog and these armies against Israel. God will not only reveal Himself to the world, but He will call Israel His people again. In other words, during the war, God will turn back to Israel, as He promised He would again in Hosea 1:10, 2:23 and Romans 9:25-26.

THE 10 WORLD FEDERATION

The United Nations Divides the World into 10 'Regional Groupings'. On January 11, 2010, The United Nations under Secretary-General Ban Ki-moon outlined seven priorities for 2010, beginning with the urgent need for a renewed focus on sustainable development, including advancing efforts to achieve the globally agreed targets aimed at ending poverty, disease and hunger. The "ten horns" are explained in Daniel 7:23-25 and Revelation 17:12 to be ten kings, and the whole vision is of the last form of Gentile world-power, a confederated ten-kingdom empire, most likely covering the whole Earth. Now, it's interesting to note, that on the year 1972, the Club of Rome proposed a plan to divide the whole world.

In both instances this forerunner to the Antichrist's kingdom is declared to be a kingdom comprised of ten kings or kingdoms, all united with one ultimate mind and purpose, that is, to give their power to that 'son of perdition'.

ONE WORLD GOVERNMENT

MASONIC IDIOTS

SLAVERY AND TYRANNY FOR ALL

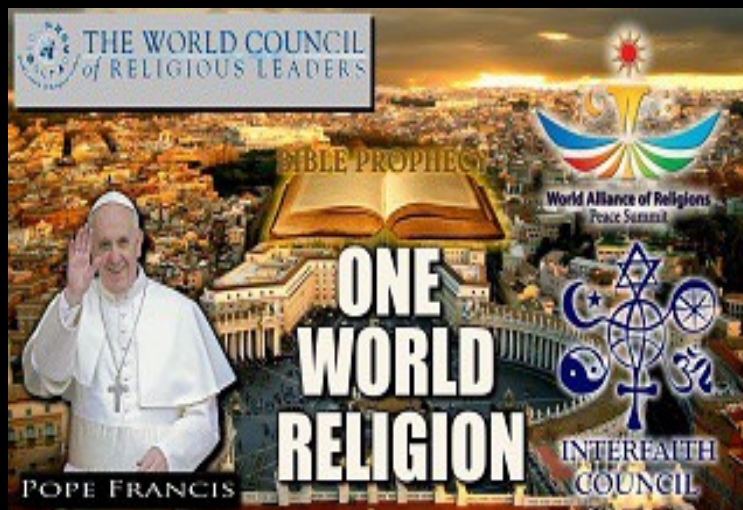

ONE WORLD GOVERNMENT - REVELATION 13:7:

He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation. Questions do arise on just what constitutes a world government. Well in Revelation 13:7, it says the Beast of the Sea, or Antichrist, is given authority over every tribe, people, language and nation. John goes on to describe the ruler of this vast empire as having power and great authority, given to him by Satan himself (Revelation 13:2), being followed by and receiving worship from "all the world" (13:3-4), and having authority over "every tribe, people, language and nation" (13:7). One world Politically (Revelation 13:1-7), Religiously (Revelation 13:8) and Economically (Revelation 13:16-17). This future government will rule over the face of the earth and its authority will be so complete no one will be able to buy or sell anything without the Mark of the Beast.

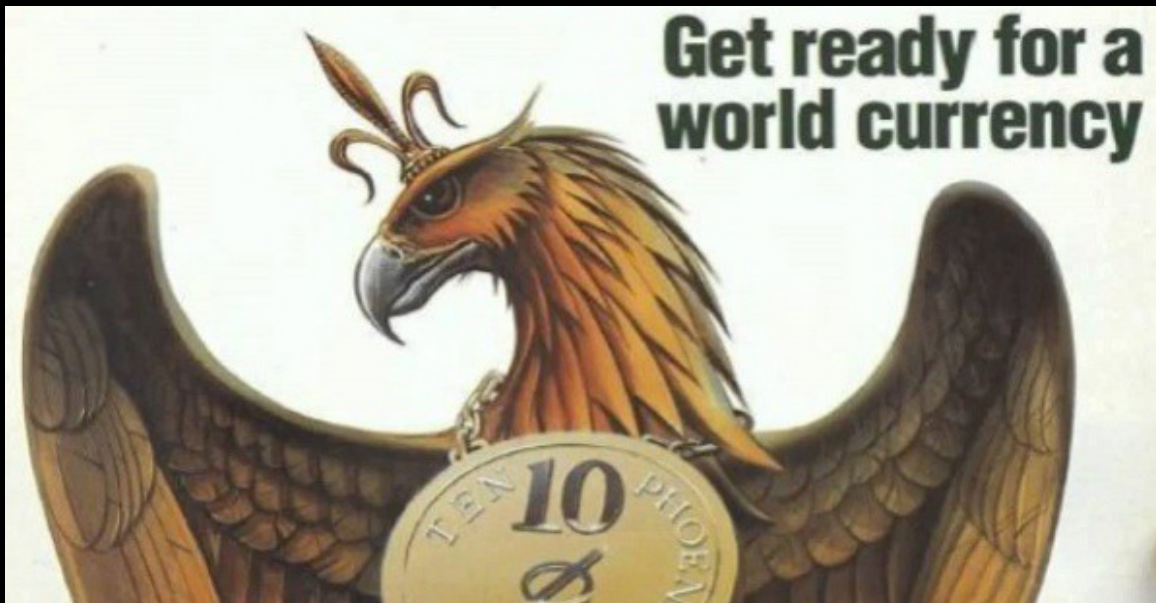

ONE WORLD LEADER – DANIEL 7:7:

After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns. Daniel chapter 7 is an amazing chapter chronicling Daniel's "dream and visions of his head upon his bed" (Daniel 7:1). This vision that Daniel had was of four beasts, or kingdoms and their kings, that would be the four major powers, or superpowers, of the end-times. The Antichrist is the one world leader.

ONE WORLD RELIGION – under the direction of Pope Francis

ONE WORLD CURRENCY – REVELATION 13:16-17:

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. One way they will accomplish this is by controlling all commerce, and this is where the idea of a one-world currency comes in. Revelation 13:16-17 describes some sort of satanic mark which will be required in order to buy and sell. This means anyone who refuses the mark will be unable to buy food, clothing or other necessities of life.

WORLD DOMINATION

World Domination (also called global domination or world conquest or cosmocracy) is a hypothetical power structure, either achieved or aspired to, in which a single political authority holds the power over all or virtually all the inhabitants of Earth. Various individuals or regimes have tried to achieve this goal throughout history, without ever attaining it. A New World Order is that a secretive power elite movement with a globalist agenda is conspiring to eventually rule the world through an authoritarian one world government which will replace sovereign nation-states.
