

DEEP STATE

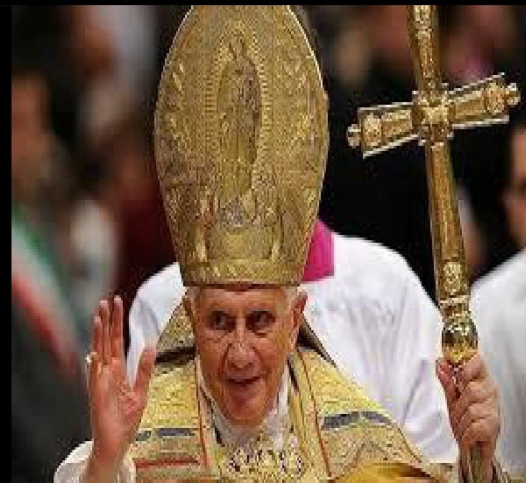

DESTROYER SERIES-VOLUME 25

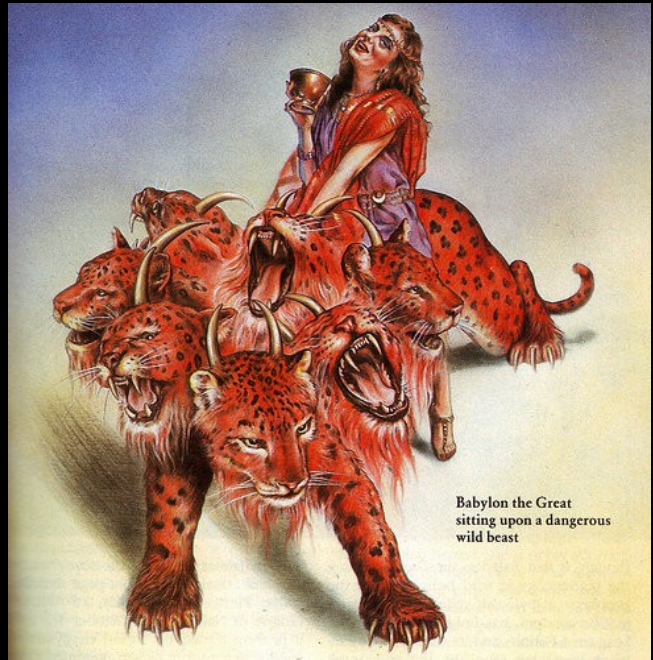

"DEEP STATE" is the term used to refer to the idea that there's a multitude of career employees inside of several governments working together to secretly manipulate multiple government policies and undermine elected leaders and political appointees. You will also find the Papacy inside of the DEEP STATE as it is a Beast System.

SEPARATION OF CHURCH AND STATE

"Separation of Church and State" is a phrase that refers to the Establishment Clause of the First Amendment. The phrase dates back to the early days of U.S. history, and Thomas Jefferson referred to the First Amendment as creating a "wall of separation" between church and state as the third president of the U.S.

DEEP STATE is secretly in control of the US government. Depending on whom you ask, they are either a Satanic cult and/or or are globalists and/or are Communists and/or are forerunners for the Antichrist. In any case, they are The Cabal that Rules the World in Secret. You have a Political Beast and a Religious Beast working simultaneously to dominate us physically, mentally and spiritually.

THE PAPACY

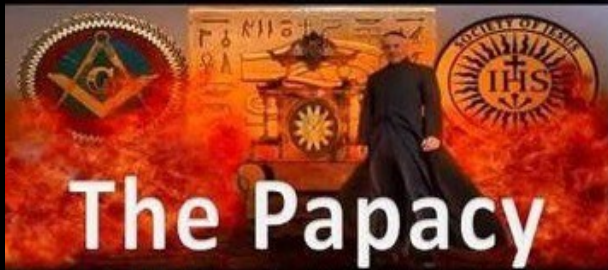

The Second Beast in Revelation will come out from the sea, which represents the Gentiles. So this leader will be a Gentile ruler. He will rule over a ten-nation confederacy. This beast will have great power and authority given to him by the dragon or Satan. The identity of this beast is viewed by many to be an Antichrist.

Thomas Jefferson

“Christianity neither is, nor ever was a part of the common law.”

“In every country and in every age, the priest has been hostile to liberty.”

John Adams

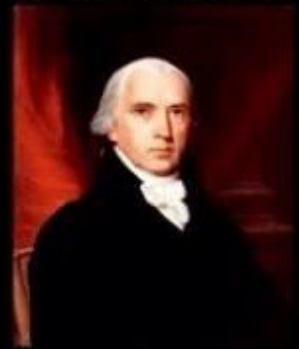

“The government of the United States is not in any sense founded on the Christian Religion.”

Thomas Paine

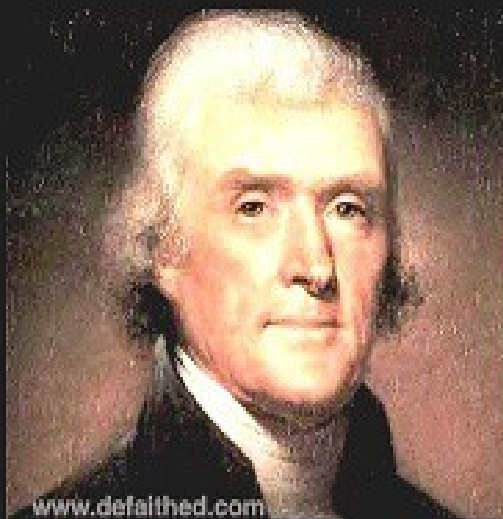

“All national institutions of churches, whether Jewish, Christian, or Turkish, appear to me no other than human inventions set up to terrify and enslave mankind, and monopolize power and profit.”

James Madison

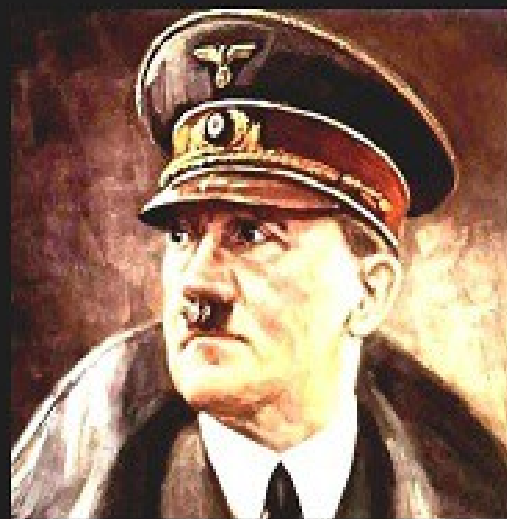

“Religion and government will both exist in greater purity the less they are mixed together.”

“...I contemplate with sovereign reverence that act of the whole American people which declared that their legislature should ‘make no law respecting an establishment of religion, or prohibiting the free exercise thereof,’ thus building a wall of separation between church and State.”

Thomas Jefferson, 1802

“It will be the Government's care to maintain honest co-operation between Church and State; the struggle against materialistic views and for a real national community is just as much in the interest of the German nation as in that of the welfare of our Christian faith.”

Adolf Hitler, 1933

The elected state, the shadow state, the national security state, the public-private state and the institutions of propaganda.

The ten horns represent the common market or the European economic community, i.e. C.E.C. established in 1958. Today the C.E.C. is known as the C.U., the Old European Union.

The 7 heads represents the 7 hills of Rome. The 10 horns are the original European powers that make up the power structure of Rome. America was "founded" by Spain, France and Great Britain. The Little Horn = America. Africans and Arabs sold Negroes into slavery to Esau. Northern tribes of Israel escaped in 721 BC (refer to II Esdras 13 in Apocrypha). The continuation of the Roman Empire today is none other than the Roman Catholic Church, the church with a Christian face and with several disguised heathen pagan practices. It's worldwide organization is called the "Holy See". There are Hidden Governments that are Ruling the World through Visible Governments.

The New World Order leads nations into wars. In the United States and Western Europe, the unelected officials who comprise the DEEP STATE think they can force global alliances that are contrary to millennia of bonds and cultures. Ukraine President Volodymyr Zelenskyy announced his new application to become a member of the European Union, in defiance of Russia. Zelenskyy requested immediate admission into the EU at a time when millions were praying instead for a de-escalation in hostilities. Russian President Vladimir Putin repeatedly warned that Russia and its allies would not allow the former Soviet Republics of Ukraine and Georgia to join NATO, but the DEEP STATE in our own State Department pressed for that war-inducing strategy anyway.

The World Trade Organization, which Congress put us into in 1994, is functioning in Geneva as a sort of United Nations of Trade, with a legislature (where we have one out of 116 votes), a multinational bureaucracy, and a court that ruled against the United States in its first case. The Chemical Weapons Convention, which Clinton persuaded the Republican Senate to ratify is already spreading its global fingers from its headquarters in the Hague.
