

DEEP STATE

DESTROYER SERIES—VOLUME 27

What is the DEEP STATE and the Cabal really doing in Ukraine? It is well known that, sometime in the eighth to ninth centuries, the Khazars, a warlike Turkic people, converted to Judaism and ruled over a vast domain in what became southern Russia and Ukraine.

UKRAINE

China accuses US of having 336 Biolabs in 30 countries including 26 in Ukraine, demands 'full account of its biological military activities'

The U.S. Military say they know of 360 such labs around the world and that Ovomit (Obama) started the labs using tax payer money. Putin blew up at least 30 bio labs in Ukraine with evidence that they were going to use the chemicals to kill 90 percent of the population on earth this fall. Next will be China, not the CCP, but China will invade Taiwan and do the same thing as Putin, as there are bio labs their also. Putin is protecting the Ukrainian People and bringing supplies to them as the Nazi's of the Ukrainian Government are killing Ukrainians and blaming it all on Russia. Of course the Mainstream Media is doing the same, using actors and scenes from other places in the world, even video game footage to brain wash people who are easily fooled. Ukraine is not a country any more than New York. New York is a state in the United States and Ukraine is a state in Russia. Putin is just cleaning out the Nazis in Ukraine and clearing out the Khazarian Mafia. Then he will begin exposing Biden, Pelosi, Mitt Romney, John Kerry and their sons criminal businesses in Ukraine. Plus, the 200 acres that Biden owns there, their money laundering activities that they have had for years and the dumb's found under Biden's property, with chains on the walls were children were held, with parts of bodies, huge sex trafficking and 9 duffle bags full of black hash, worth millions of dollars. Putin is exposing them all.

The territory now called The Ukraine was once the heart of the Khazar/Chazar Kingdom. This kingdom was largely unknown to the general population until Arthur Koestler wrote about its history in his 1976 book, *The Thirteenth Tribe*. Koestler was a Jewish novelist and historian who was fascinated by his own ancestry as a Khazarian. The Azov Battalion is now being called "Ukraine's ISIS". They have also been described as "Nazis". The Khazarian Mafia in Ukraine are the Rockefellers and the Rothschilds. Moderately prepared, Trump and the military are working with Putin and China to get the Khazarian Mafia DEEP STATE elitists. It's a big chess game, "movie," that they have planned for years and years to get rid of the evil actors on the planet. It is said that there are around a million people involved and that it will take at least four years of military tribunals to prosecute them all. Trump is the President in his second term already and the Vice President is JFK Jr. right now. He was sworn in on July 4th at Mount Rushmore, last year. And, there is more. The military became in charge, via the Constitution and, Trump remained President. They put Biden in office and all of the rest, some robots and some clones, to wake up the normies. It is all one big Pantomime. That's right. Everything people are seeing is not real even Biden's signature is worthless. Other countries won't even take his calls, because he is not the President.

The whole plan? Well, The U.S. military, with Trump, watched the election and set up the sting to catch the criminals as they committed fraud around the world, by having all of the official ballots watermarked and the counterfeit ones were not. Remember, Trump signed into law, all who interfere in an election, lose all of their property and money and are arrested for treason. So all of the land and investments that the CCP, Bill Gates etc. with all of their holdings are gone. The U.S. debt is gone also as a result. Trump officially won every state with 80%. Because of the known fraud, the military became in charge, via the Constitution and, Trump remained President. Why do we have to suffer with the inflation and every thing else, because of the normies that did not wake up. They are waking up now. Things will probably get worse for awhile with food shortages, but the military has been saying for some months to stock up on Food and water etc. for at least three weeks.

Yes, they said they had to quit using times and dates and now are going by events. When an event happens, because they are dealing with Satanists, then the next part of the operation gets the green light. The Satanists are panicking more and more, as Durham posts more info and indictments. Soon they will have to shut down the internet, to stop the flow of information, that they want to hide. Then the Starlink System will kick on with 3 days of news of what's going on and video of tribunals, etc. to wake up more normies. A Billionaire, one of Trumps friends is buying CNN in the meantime. All new real conservative journalists will be giving the real news. The Starlink kicks in the new internet and GCR is already in place. Banks are in training, for the last 6 months, and has been confirmed by an executive at Wells Fargo. The ten days may be the time to switch over to Starlink. Also, those days of no internet might be for waking up more normies, that will be going nuts without the internet.

Today, DNA science reveals that almost all the Jews in the world come from Khazaria. They are from the bloodline of Japheth. They are not of the blood lineage of Abraham and the prophets, but they are of King Bulan and the pagan peoples of the Caucasus. The ancestors of today's Jews are not Israelites but are Khazarians. The use of "anti-Semitism" as a weapon against the critics of Zionism is essential for its survival because it serves to deflect attention from the lying, cheating, stealing, murdering, war profiteering, blatant violations of international law and barbaric crimes against humanity. The Satanic Star of Remphan is a commercialized Rothschild/Zionist symbol. When Fox News says 'Putin is the Antichrist' you know that whoever squawks the loudest gains the ear of lamebrain Americans. Don't you need somebody to hate. Today Putin, yesterday Sadaam, tomorrow whoever stands in the way of the Khazarian Mafia. Ukraine is just a pawn in the Khazarian Mafia's game to 'contain' Christian Russia. The Khazarian Mafia serves the Synagogue of Satan. Now you are able to see the display of Good VS Evil. The Khazarian Mafia has a history of exterminating millions of Russians starting in 1914 rebranded, Bolsheviks. Because they were being squeezed for their crimes, between Turkey and the Christians, they took on the cloak of being Jews, Jew imposters actually.

MOSSAD

CIA

VICTORIA NUDELMAN

ARSENIY YATSENYUK

With joint efforts of the Mossad and CIA clandestinely funding Ukraine's nationalists — "Natz" — as the locals call them, short for "Nazis", a Ukrainian DEEP STATE was created. These "Natz" are descendants of the "Banderites" of World War II fame, with whom Hitler, due to their fanatical viciousness, shunned. With the help of US State Department's Jew, Victoria Nuland, (born "Nudelman"), the Banderites executed a coup in 2014. Straightaway an American puppet, known affectionately by Nudelman as "Yats", a fellow Jew, was installed. The expectations were that Arseniy Yatsenyuk would be capable to do whatever the U.S. would order him to do in Ukraine. But as Prime Minister of Ukraine, Yatsenyuk was just a too small figure in a big game.

The Mossad ("Institute for Intelligence and Special Operations"), is similar to the CIA, in that it is Israel's external security service, operating outside the State of Israel. On the 27th of November 2020, Mossad showed that it had outstripped the CIA in stealth, technology, and targeting. Israel's Mossad and infamous Unit 8200 are partnering with the CIA and US tech firms to create an Orwellian pre-crime nightmare. The Mossad are also known for having played a significant, though still little-known, role in the covert supply of arms to Ayatollah Khomeini's Iran to help fight Saddam Hussein's Iraq, as part of the Iran-Contra. Mossad agents are perceived as larger-than-life who would do anything, even recruit ex-Nazi commanders, in order to obliterate the enemy. Decades later, the Mossad has become an evil powerful organization with a strong regional power.

People who have met with Prime Minister Benjamin Netanyahu have heard lengthy speeches. He has told them that even though he has been elected repeatedly, in reality, the country is controlled by a "DEEP STATE".
