

DEEP STATE

DESTROYER SERIES—VOLUME 30

The term "DEEP STATE" in the United States implies the existence of a premeditated effort by certain federal government employees or other persons to secretly manipulate or control the government without regard for the policies of Congress or the President of the United States.

**JACOB ROTHSCHILD:
"COVID IS OBEDIENCE TRAINING".**

"For the New World Order, we needed a much deeper and permanent compliance.

If the overwhelming majority of people give in and allow you to inject them with a substance that any free and thinking person like yourself would reject and refuse, without even knowing what the substances are, but trusting their governments and our media networks, then that is surely the most important victory our structure can hope for."

George Soros is a fanatic Socialist billionaire
and wants the **entire world** to be Socialist.

His foundations support radical groups around the world, and has destabilized several countries in the last 30 years. Soros pays organizers for protests. He pays for marches, signs, buses and phone banks. Soros paid thugs to cause violence at Trump rallies, and on inauguration day.

Fact. - Soros was a Nazi during WW2.

He has no remorse for it, and said so on 60 Minutes.

His Soviet-style propaganda factory is secretly pushing fake news to influence USA toward an agenda that is anti-American and bad for our country.
