**ROTHSCHILD means "RED SHIELD"**  
**HIGH RANKING members of KNIGHTS OF MALTA**

The Rothschild have been part of the *Jesuit Order* since way before 1776. *Maltese Cross* indicates membership and allegiance to the *Sovereign Military Order of Malta*, a MASONIC order created in 1,099 AD by direct descendants of Roman Emperors, of which the *Jesuit Order* is a brand.

It doesn't really matter what kind of religious or political affiliation a member professes, when they take an oath as a Knight they are obligated by that blood oath of obedience to follow the political lead of the Vatican and will do so to their dying breath-as all good Knights of Malta do. Their first loyalty is to the Vatican, anything else is secondary.

Each and every member is under complete and total obedience to the Vatican's political ambitions.

The "Knights of Malta" are the militia of the Pope. In the book "Behold a Pale Horse" you will find research into this. It is one of the NWO SECRET SOCIETIES that are determined to overrun and destroy America. The Pope is not innocent of this either. The Pope wants to be the leader of the world. He meets with world leaders to promote "peace" as his means of public acceptance.

Is this **Knights of Malta** shield not a **Red Shield** ?
