**We Hate Whites, Jews, Christians,  
Conservatives, Republicans, & Patriots.**

We believe in Climate Change, Reparations, Abortion after Birth, Open Borders, Banning All Guns, Repealing the 2nd Amendment and the Bill of Rights, Socialism, Communism, and Sharia Law.

We believe in government taking over business and production, the elimination of Private Property and Personal Rights.

We believe in creating forced labor camps, punishing those who question the government, and allowing the government to control and dictate how you must live.

If you disagree, then you're a Racist and a threat to the future.
