## DESTROYER SERIES—VOLUME 47

“DEEP STATE” and the Antichrist Beast System are trying desparately to keep the patriots and the white hats down. But they will not be successful. God always wins and has a plan that is virtually invinceable. “DEEP STATE” and the Antichrist Beast System will be totally annihilated.

Why did Trump release the vaccines??? As you know now the DEEP STATE CABAL had long ago planned to kill billions through a pandemic that was planned long ago. You can find several sources through OPERATION LOCKSTEP (which is ROCKEFELLER'S plan), Bill Gates and his several interviews and speeches to reduce world population, GEORGIA GUIDESTONES, FAUCI assured speech that a Pandemic was coming for the Trump Administration and Bill Gates' patents owning the Corona Virus (SARS)..ect,ect,ect. When Trump released the vaccines in record speed, it completely disrupted the DEEP STATE CABAL plans. Their original plans were to kill and enslave humanity through 5 years of torture/full lockdowns/martial law/mental psychological ops, Mainstream Media, extreme fake death coverages worldwide and Operation Mockingbird. They had other plans to get billions addicted to opioids and deadly medications that they said would be used to combat the virus. It would have created deaths and bring all people into severe psychosis by way of no more production of dopamine serotonin oxytocin endorphins. By the second year of lockdowns, medication including methamphetamines (Speed) dangerous sleeping pills, painkillers and 15 deadly other medications would have brought billions into psychosis, deadly depression, suicides and stop the production of the Pineal Gland.

The drugs alone combined would stop the body from recovery/self healing and bring the body into chaos and easily sickened by outside sources, such as cancerous products in food and poisonous additives in products, food. Years into the lockdowns, the deaths from the FORCED medication and psychological torturer lockdowns and removal of essential fruits, meats, vegetables and grains would ensure sickness and deaths.

When Trump released the vaccines, he destroyed the MOLOCH WORLD SACRIFICE SATANIC DEEP STATE PLANS to torture and kill billions through a Systematic Genocidal Agenda.

The children would have suffered publicly also legally addicted to forced deadly medications and overdose. The torture they would endure would insure hospitalization that would induce more torture and pain producing ADRENOCROME which is their ultimate plan.

By Trump releasing the vaccines, he countered the DEEP STATE CABAL PLANS. And they were forced to spend TRILLIONS across the world creating the vaccines. Much of the vaccines are [FAKE] saline. But also, many are real and laced with mRNA and deadly compounds. That's why they keep wanting you to take more and more vaccines.... (because they are still producing the real mRNA, nano by-products of deadly additives to insure sickness and death and biotechnology engineering control). It is in it's first stages.

When Trump released the vaccines, half of Trump supporters also had great fear of the COVID-19 and believed in FAUCI and WHO and believed in the scamdemic...Trump couldn't loose these supporters (later their is a plan to correct the VACCINATED2022 ). You can see now that the DEEP STATE is falling apart and that their hopes to destroy society are being crushed.

When Trump released the vaccines, the Big Pharma Mafia went into PANIC mode. They weren't ready and lost TRILLIONS of dollars and the world went into a spiral in the economy. This was all PLANNED and this in turn created a ripple effect through the entire DEEP STATE money lines and the ties and the hidden GOLD/MONEY/CRYPTOCURRENCY hit the markets.....It was a TRUMP STING OPERATION to find all the SLEEPERS and see where the money was at that was funding the DEEP STATE endeavors in many major countries. DEEP STATE came into confusion and panic and this caused them to create so many mistakes, that in turn effected the Big Pharma Mafia and the scientific PAID OWNED community....and it is on going. Exposure and leaks are happening and even the mainstream media is now reporting things they would have never reported last year.

When Trump released the vaccines, it was a counter measure in the war that you are in. Trump told us a long time ago: "THE CHOICE IS YOURS". Everything he is doing now is optics.... It's not for you!!! It's for them!!!. He's playing to win the game....It's all for a reason!!! Everything has meaning...you have much more than you know. Trump said during the second and final presidential debate on October 22 that he was optimistic a vaccine would be ready 'within weeks'. When moderator Kristen Welker asked if that was a 'guarantee', Trump replied that it was not, but that the US would have a vaccine by the 'end of the year' It wasn't the first time he had made this prediction publicly: 'I think we're going to have a vaccine by the end of the year,' Trump said back in May. The media could have accepted that the President probably has better insight....Join@WhiteHatsArmy

**PFIZER ADMITS IN ITS OWN MRNA DOCUMENT  
THAT NON-VACCINATED CAN BE EXPOSED TO THE  
VACCINE'S SPIKE PROTEINS BY INHALATION  
OR SKIN CONTACT – [PAGE 67]**

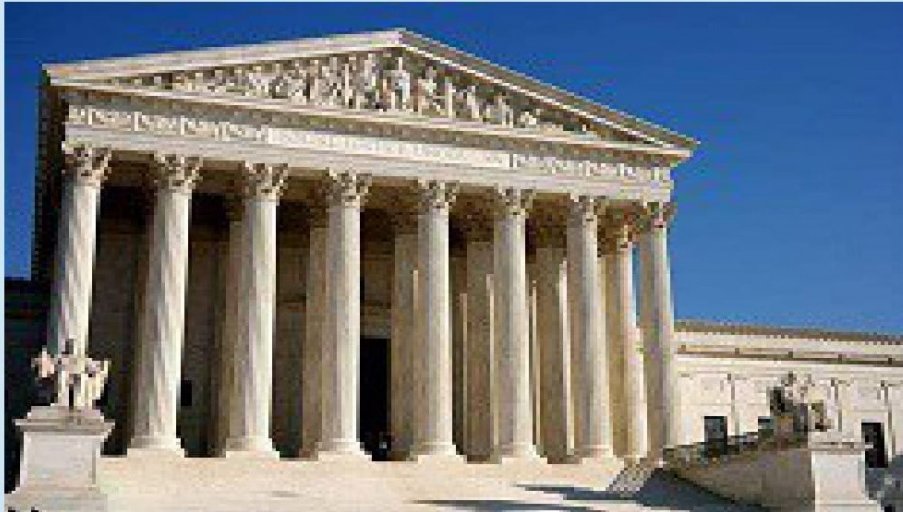

It's not a vaccine or anything even remotely related to vaccines. It's a HUMANICIDE. And it sheds and is highly transmissible by Pfizer's own gleeful admission. And the self-extermination of mankind required absolutely nothing more than strangers on television re-naming common seasonal colds and flu, and thus starting a global religion and narratives. The only thing left to see is how effective these HUMANICIDES are. The latest "conspiracy theorist" to come forward and warn about particulate shedding from those who were recently "vaccinated" for the Wuhan coronavirus (Covid-19) is none other than Pfizer itself. The Big Pharma giant's own documents openly admit that people who were recently jabbed for the Chinese virus can transmit whatever is contained in the syringe to others, including through skin contact.

Trump did not know the full extent or depths that Big Pharma would go in poisoning the vaccines.

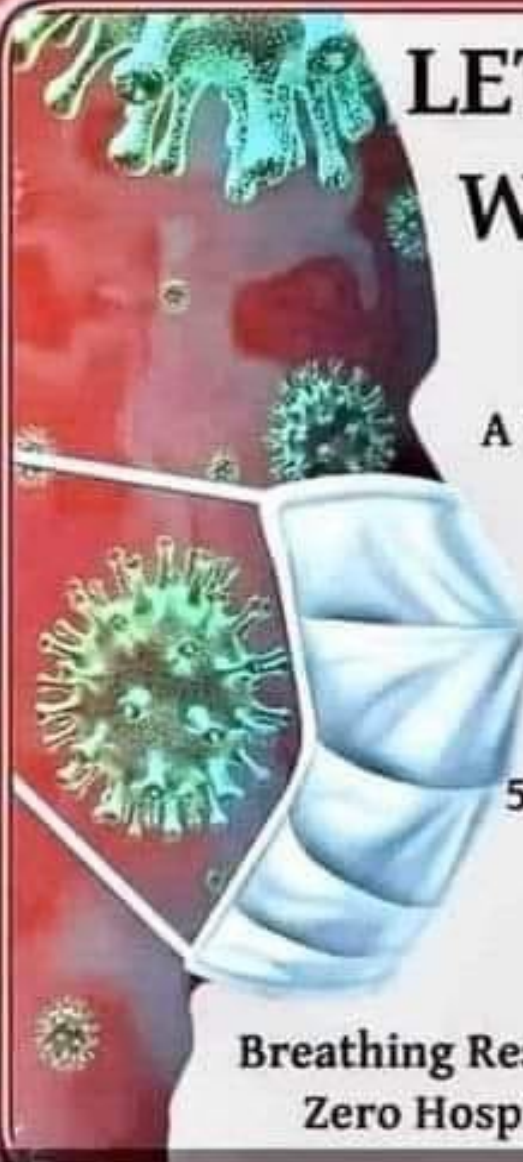

## **Ivermectin Wins in Court Again: For Human Rights**

One dose of Ivermectin was all it took to get 81-year-old John Swanson off the ventilator. John's wife Sandra could not believe it. His story is remarkably similar to other cases of patients who were on their way out with advanced COVID-19 but saved when Ivermectin was added.

Ralph Lorigo is the lawyer who now has won three court orders forcing New York hospitals to administer Ivermectin to dying patients. Incredibly, these three hospitals and their lawyers fought against the patients, arguing they did not have the right to receive the drug despite a valid prescription written by their doctors. In essence, the argument was that they did not have the right to try a potentially life-saving medication.

In each of the three cases, the New York State Supreme Court Justices sided with the patient, and in each of the three cases, the patients made near-miraculous recoveries after the Ivermectin was given. In each case, these patients were in the Intensive Care Unit on ventilators, unable to breathe on their own, and universally, after the drug was given, they rapidly improved and were able to breathe on their own.

Since President Donald Trump tested positive for COVID-19 Oct. 1, he has been given a variety of drugs intended to shorten his recovery time and ease symptoms. Though no drug has been FDA approved to treat the virus, a handful have shown positive results in clinical trials. President Trump has been given drugs that are being tested in clinical trials and aren't available to the general public. Find out the eight drugs the President Trump reportedly has been given:
