

DEEP STATE

DESTROYER SERIES—VOLUME 51

“DEEP STATE” has assisted in 10 primary conspiracies. George Soros’s secret 2016 access to State exposes ‘big money’ hypocrisy of Democrats. Liberal mega-donor George Soros made some big bets during the last U.S. presidential election. One was that Hillary Clinton would win the presidency. Another was that he could reshape Ukraine’s government to his liking, and that his business empire might find fertile ground in that former Soviet state.

10 PRIMARY CONSPIRACIES

1. MK-ULTRA: From 1950s to 1970s, the CIA tried to find the truth serum and ran a mind-control project, applying LSD to test subjects often without their consent and even resorting to torture. Investigations by the Rockefeller Commission made it possible to expose the project.

2. Operation Mockingbird: In the 1950s to '70s, the CIA paid big-name media outlets to publish propaganda. This has been exposed by the Church Committee in 1975, and backed up with evidence.

3. Asbestos: Between 1930 and 1960, manufacturers tried to cover up the link between asbestos and respiratory diseases, including cancer - to avoid prosecution. Even though the suing process started in 1932, it wasn't until 1962 that epidemiologists proved asbestos causes cancer.

4. The Tuskegee Syphilis Study: The United States Public Health Service studied 400 poor, African-American men with syphilis from 1932 to 1972. They were treated as guinea pigs to find out more about the disease. The study continued for 40 years.

5. Operation Northwoods: In the early 1960s, American military leaders planned on committing acts of terrorism in U.S. cities, killing innocent people and U.S. soldiers - to support the war against Cuba. The plans were later rejected by the civil leadership, and kept secret for nearly 40 years.

6. 1990 Testimony of Nayirah: A 15-year-old girl named Nayirah testified before the U.S. Congress about seeing Iraqi soldiers pulling Kuwaiti babies from incubators and killing them. This became the fuel for major public support for the 1991 Gulf War. Nayirah later turned out to be the daughter of the Kuwaiti ambassador to the USA.

7. Karen Silkwood: Karen Silkwood was an American whistleblower, who worked as a labor union activist and chemical technician. She discovered numerous violations of health regulations, including exposure of workers to contamination, faulty respiratory equipment and improper storage of samples. November 7, 1974, she was found to be dangerously contaminated even expelling contaminated air from her lungs. As it turns out, her house has been contaminated with plutonium. Silkwood, her partner and housemate were sent to Los Alamos National Laboratory for testing. Later that evening her body was found in her car, which had run off the road.

8. Bohemian Grove: Conspiracy theorists were saying that the rich and powerful annually gathered in the woods and worshiped a giant stone owl in an occult fashion. News agencies investigated this and surprisingly it was true. The participants turned it into a joke and a fraternity-type of stuff.

9. COINTELPRO: It was a series of covert, and often illegal, projects conducted by the United States Federal Bureau of Investigation (FBI) aimed at investigating and disrupting dissident political organizations within the United States. Which organizations? For example, the women's rights movement, militant black nationalist groups, and the non-violent civil rights movement and almost all movements protesting the Vietnam War. The directives governing COINTELPRO were issued by FBI Director J. Edgar Hoover, who ordered FBI agents to "expose, disrupt, misdirect, discredit, or otherwise neutralize" the activities of these movements and their leaders.

10. Operation Snow White: A popular conspiracy theory was that during the 1970s, the Church of Scientology secured their power with the largest infiltration of the United States government in history. It turns out 5,000 of Scientology's crack commandos wiretapped and burglarized various agencies and stole tons of documents, mainly from the IRS. 136 organizations, agencies and foreign embassies were infiltrated.

- 11/30/2016: Guardian assessment closed as not posing a threat to national security, and Santiago was taken to a psychiatric institute for evaluation.

Following most of these attacks, the FBI conducted or requested various retrospective reviews to identify and assess its procedures and actions associated with its prior involvement with the subjects. While the results of these reviews varied, some of the conclusions and recommendations in these reports focused on the need for the FBI to update and improve its process for assessing counterterrorism threats and suspicious activities in the FBI's Guardian system.

Shadow Government

The Unconstitutional Power of Government Secrecy

C.I.A. Whistleblower Kevin Shipp has taken great risks to reveal the structure of the illegal "shadow government" that operates outside the U.S. Constitution. Shipp calls for a social-civil revolution to restore the U.S. Constitution that has been hijacked by the Deep State and which wholly controls the Shadow Government (bribed and blackmailed Congress, Judiciary and unelected Bureaucracy).

NEW! AUG. 29, 2017: [Carl Bernstein. \(2007\)](#). THE CIA AND THE MEDIA—How America's Most Powerful News Media [MSM] Worked Hand in Glove with the Central Intelligence Agency and Why the Church Committee Covered It Up. *CarlBernstein.com*. (“the *New York Times* provided cover for about ten CIA operatives . . . Many signed secrecy agreements . . . some signed employment contracts . . . The secrecy agreement was the sort of ritual that got you into the tabernacle. After that you had to play by the rules.’ . . . separating the American press corps and government was often indistinguishable . . . journalists were put ‘on a string’ [of control] . . . at least 200 journalists signed secrecy agreements or employment contracts with the Agency in the past twenty-five years.” Mexican telecom tycoon Carlos Slim—the world's richest man—now owns the *New York Times* and is the largest single donor to The Clinton Foundation.) Rogue C.I.A. agents? Most assuredly.

GEORGE SOROS, INTERNATIONAL CRIMINAL, FUNDER OF THE RADICAL LEFT, AND SELF-CONFESSED NAZI SYMPATHIZER told to Steve Kroft on 60 Minutes on Dec. 20, 1998 that he was a Nazi sympathizer during WWII in Hungary who felt no guilt about turning in his fellow Jews to the Nazis. According to the National Committee for Attending Deportees (DEGOB), between May 15 and July 9, 1944 the over 437,000 people in Hungary were deported by the Nazis (with whom Soros had been collaborating) to the Auschwitz-Birkenau death camps to achieve the demonic Nazi "Final Solution" annihilation of the Jewish race.

The fact that so-called "liberals" would take money, direction and inspiration from such an evil person as George Soros (British Pilgrims Society) is a sad commentary on the state of their moral and ethical development as human beings. Soros has made his blood money billions of dollars using mainstream medias to destabilize markets for his profit. He buys and sells stocks depending upon which fake message he wants the MSM to propagate. That is not financial "player" genius, that is just pure evil.
