#### **The True Evil of the World Economic Forum**

There's an important lesson here for those who properly object to a bunch of unelected oligarchs manipulating world events for their own purposes. When the wealthy and powerful sing the praises of "international cooperation," they are almost always sticking it to ordinary people. Rigorous competition, not cooperation, is the key to keeping power in check and providing ample opportunity for all. Since WWII, the West has been brainwashed into accepting the opposite falsehood — that competition leads to tragedy and that only forced cooperation can foster long-term peace. Nationalism is equated with racism. Patriotism is derided as another civic opiate for the masses.

**Klaus Schwab** is the  
Founder & Chairman of the  
World Economic Forum  
Author of the book,  
“Covid - 19: The Great Reset”

At least 4 Billion “useless eaters” shall be eliminated by the year 2050 by means of limited wars, organized epidemics of fatal rapid acting-acting diseases and starvation. Energy, food and watershal be kept at subsistence levels for the non-elite, starting with the White populations of Western Europe and North America and then spreading to other races. The population of Canada, Western Europe and the United States will be decimated more rapidly than on other continents, until the worlds population reaches a manageable level of 1 billion, of which which 500 million wil consist of Chinese and Japanese races, selected because they are people who have been regimented for centuries and who are accustomed to obeying authority without question. From the time there shall be artificially contrived food and water shortages and medical care to remind the masses that their very existence depends on the goodwill of the Committee of 300.

An Excerpt from his book,  
“Covid - 19: The Great Reset”

Klaus Schwab believes that there is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the World Economic Forum is starting their evil Great Reset initiative.

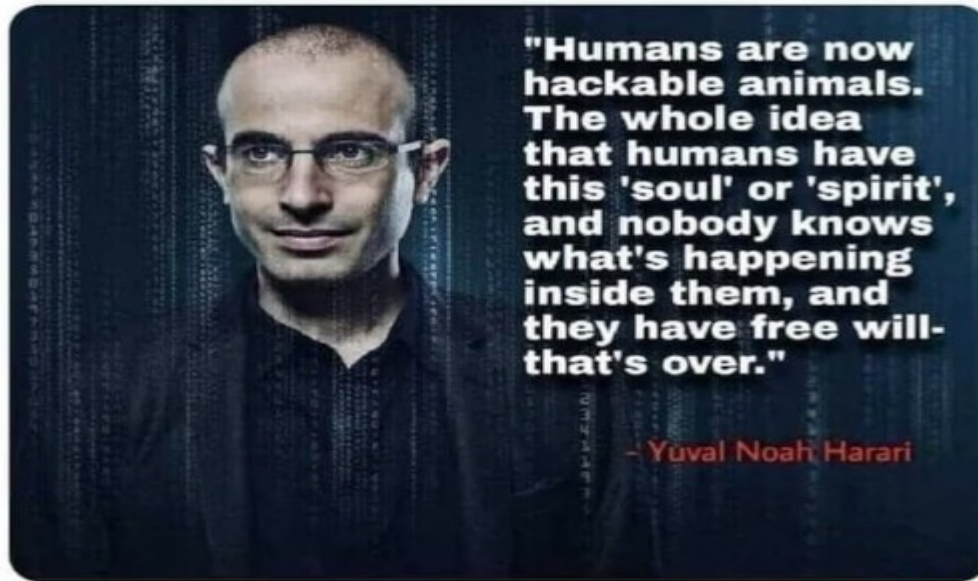

"YOU'LL OWN NOTHING - AND YOU'LL BE HAPPY ABOUT IT."  
- KLAUS SCWAB/WORLD ECONOMIC FORUM -

"Own nothing, be happy. You might have heard the phrase. It started life as a screenshot, culled from the internet by an anonymous anti-semitic account on the image board 4chan. 'Own nothing, be happy – The Jew World Order 2030', said the post, which went viral among extremists" — Adrian Monck, WEF, 2022. However, the phrase didn't "start life as a screenshot" — it came directly from a video on the WEF's own website and social media channels. In fact, "You'll own nothing. And you'll be happy" actually originates, verbatim, from the WEF's "8 Predictions for the World in 2030," which was published in 2016 and is still on the WEF Agenda.

Allow me to introduce Klaus Schwab's top advisor, Professor Yuval Noah Harari.

THE GREAT RESET / TRANSHUMANISM AGENDA: "COVID Legitimizes the Deployment of Mass Surveillance Even In Democratic Countries and It Makes Surveillance Go Under Your Skin." -Israeli Lunatic, Dr. Yuval Noah Harari (WEF Advisor to Klaus Schwab) Chief WEF advisor Yuval Noah Harari: "Covid is critical as it legitimizes total biometric surveillance... government wants to know where you go and who you meet... but we also need to monitor what is going on under your skin... this notion that we have a free will and can do what we want, it is over". "COVID Was the Moment When Surveillance Started Going Under the Skin." - Yuval Noah Harari Klaus Schwab's Protégé, Propagandist & Transhumanist Lunatic say's "We Can Hack Humans" with "Surveillance Under The Skin" via "Vaccines" 3 yrs ago at WEF in 2020. Of course he's a fan of mRNA vaccines, CBDC & Digital Vaccine Passports. Are you getting it yet?
