

DEEP STATE

DESTROYER SERIES—VOLUME 59

Despite the "DEEP STATE", GESARA/NESARA is coming soon. The U.S. National Economic Security and Reformation Act (NESARA) was proposed in the 1990s. NESARA was designed to do away with the Federal Reserve Bank, the IRS, and the shadow government. A new financial system will be and is being released into the world (its corollary is called GESARA) to pull the world away from the Fiat currency into a Gold-Backed currency that will bring about freedom and a lack of Debt.

A New \$100 Bill to Usher In A NEW Gold Standard

<https://gesara.news>

It seems like today's national leaders are gradually reaching a consensus about how the world's monetary system should be structured. They are getting ready to return to a gold standard system. White House is launching <http://quantum.gov>, the official website of the National Quantum Initiative and Quantum Information Science. Quantum Information Science (QIS) emerges from a deeper consideration of how quantum physics (our description of the world at the microscopic level) has implications for information science. The National Quantum Initiative Act (NQI Act) was signed into law by President Trump on December 21, 2018 to accelerate quantum research and development for the economic and national security of the United States. On 9 March 2000 the National Economic Security and Reformation Act was passed in a secret joint session of Congress with the walls of the House Chambers lined with Navy Seals and Delta Force. On October 10, 2000 at gunpoint and surrounded by Special Forces.

Obamagate - The Truth Agenda

The take down of the Deep State Cabal has begun as the Obama administration is exposed of crimes and corruption which is known as the Obamagate scandal (previously known as Spycgate). The Obamagate scandal is expected to lead to the long-awaited mass arrests. The Alliance already has the evidence needed to take down the Deep State Cabal in one fell swoop. However, the long game must be played to allow the public to awaken to the level of deception, corruption, and treason committed by Deep State Cabal players. Once the mass arrests occur, the Emergency Broadcast System (EBS) will be used to prevent the mainstream media from running interference. Justice will be served. Meanwhile, the Coronavirus pandemic is proving to be a failure for the Deep State Cabal which was created to cheat the US election and evidently delay humanity's transition to GESARA. Now the Deep State Cabal's final hand is to ignite a 3rd World War between the US and China. However, this attempt is also expected to fail and will become the final straw that will break the camel's back. The Deep State Cabal's actions will lead to their downfall. Also, the IRS is currently being downsized by the US Treasury which shows progress toward completing the GESARA agenda.

RESTORED REPUBLIC

POTUS (Trump) will tweet "My fellow Americans, The Storm is upon us," which was the trigger for us to go into full Global Martial Law. We would then receive seven "Trumpets," aka E B S text messages, on our phones alerting us to tune into our TV, radio or phones.

Via the US Military, all militaries across the Globe would shut down all Media, Internet, Phones and TV programming. (Emergency services would remain active). During that time the Internet and ATMs would not work and phones would only work for calling 911.

This Global Martial Law would include a ten day Communication Darkness where the Emergency Broadcast System would be activated worldwide to play eight-hour documentaries three times a day (24/7) on the subjects of fraud, corruption, pedophilia, arrests and tribunals of Global Elites. The Militaries would remove governments worldwide which were under control of the Cabal, while making arrests on 500,000 sealed indictments across the Globe. After the 10 days of Communication Darkness, we would then connect to a new Quantum Internet.

Old systems of Government, Education, Finance, Health, Trade and Commerce etc., would be dismantled and replaced. GESARA/NESARA would be activated.

In the US, the IRS (which was actually a Puerto Rican Trust owned by the Cabal) would be dismantled and replaced with a 14% tax on the sale of new items only, with no tax on food or medicine. The IRS is not a US government agency it is an agency of the IMF (International Monetary Fund) (Diversified Metal Products v I.R.S et al. CV-93-405E-EJE U.S.D.C.D.I., Public Law 94564, Senate report 94- 1148 pg. 5967, Reorganization Plan No. 26, Public Law 102-391)

In 2001 after much negotiation the Supreme Court justices ordered the 107th Congress to pass resolutions approving NESARA. This took place on September 9, 2001, eighteen months after NESARA became law. On September 10, 2001, George Bush Sr. moved into the White house to steer his son on how to block the announcement. They were bent rather on an evil New World Order (NWO). The next day, on September 11, 2001, at 10 AM Eastern Daylight Time, Alan Greenspan was scheduled to announce the new US Treasury Bank system, debt forgiveness for all U.S. citizens, and abolishment of the IRS as the first part of the public announcements of NESARA. Just before the announcement at 9 am, Bush Sr. ordered the demolition of the World Trade Center's Twin Towers to stop the international banking computers on Floors 1 and 2 in the North Tower from initiating the new U.S. Treasury Bank system. Explosives in the World Trade Center were planted by operatives and detonated remotely in Building 7, which was demolished later that day in order to cover-up their crime. Remote pilot technology was used in a flyover event to deliver a payload of explosives into the Pentagon at the exact location of the White Knights in their new Naval Command Center who were coordinating the activities supporting NESARA's implementation nationwide. With the announcement of NESARA stopped dead in its tracks, George Bush Sr. decapitated any hopes of returning the government back to the people.

For the past 10 years, life in the USA, and numerous other countries, has been dictated by the staged terrorist' attack and its repercussions. Seldom does a day go by that we do not hear mention of 9/11.

2005 – Dr. Harvey F. Barnard died on May 18, 2005. ancestry.com

2009 – Roy E. Schwasinger, Jr. died on 8/23/2009 at the age of 75. Verification – Social Security Death Index at: ancestry.com

2011 – The Debt Ceiling debacle kindled re-newed interest in NESARA. As we watch the world economy collapse, we can know that the NESARA LAW has remained in the background, ready to be announced.

President Trump will get the NESARA money issued, all the money we have paid in Federal taxes and when social security will be 5,000 a month. People are dying on the streets, they have no money, shelter, food and safe warm housing. They are freezing to death.

From its very inception, corrupt politicians, MSM, the corporate government, major bank houses, and the Carlyle group have opposed NESARA. This is why there are no public Congressional Records and why a search for this law will not yield the correct details until after the reformations are made public. Members of congress will not reveal NESARA because they have been ordered by the U.S. Supreme Court Justices to deny its existence or face charges of treason punishable by death. Some members of Congress have actually been charged with obstruction. Nesara Gesara will happen a lot faster as soon as Biden is tossed out of office and the Central Banking System is completely demolished.
