

“Fauci is a front man for Big Pharma.

He controls academic lies, and has an incentive to support the fearmongering – he did it before with HIV and AIDS. He’s a master at it . . . He’s been there during Reagan, the Bushes, Obama; he’s close to the Gates and all these other foundations. This guy’s a lifer. HE /S DEEP STATE. HE’S DEEP STATE PHARMA”

We are at war

with an invisible enemy

We are at war with the COVID-19 virus. We usually think of war as something we engage in with humans. This time the enemy is much more formidable. This enemy is invisible to the naked eye, kills from within, and can change its form, even its DNA, to conquer us. To win the war on the 'Invisible enemy,' the United States needs a stable leader. We are at war with an invisible enemy, but that enemy is no match for the spirit and resolve of the American people. It cannot overcome the dedication of our doctors, nurses, and scientists — and it cannot beat the LOVE, PATRIOTISM, and DETERMINATION of our citizens. Strong and United, WE WILL PREVAIL!

Dr. Anthony Fauci is responsible for one of the greatest crimes in world history: Funding the Wuhan lab in China that led to the release of the coronavirus. The result has been millions dead—over 500,000 in the U.S. alone—and the destruction of the West's economy. Fauci needs to be put on trial for treason and crimes against humanity. Fauci admitted that the National Institutes of Health (NIH) under his leadership sent millions of U.S. taxpayer dollars to the Wuhan Institute of Virology. That Wuhan lab was performing gain of function research—creating deadly “super viruses” by experimenting on animal-to-human transmission of viruses. It was this Wuhan lab, whether accidentally or not, that leaked Covid-19 into the larger Chinese population, eventually being unleashed into America and the world. The Obama administration (rightly) banned gain of function research in the United States. This was done for an obvious reason: It is a form of experimentation with biological warfare, which if leaked, has the potential for catastrophic consequences. Fauci, however, illegally circumvented the U.S. ban by funneling millions of taxpayer dollars to the Wuhan lab. In Red China, gain of function research is still legal and permitted. Fauci was only too happy to oblige.

Anthony Fauci is the director of the National Institute of Allergy and Infectious Diseases and top-ranking member of the White House's Coronavirus Task Force. Dr. Fauci was working with Hillary Clinton and the deep state to cause an economic collapse and attempted to discredit President Donald Trump. Fauci is a lab guy on top of being a swamp creature in the Deep State, and thus we see the endless round of talk shows, podcasts, cable TV interviews.

"The PCR test is the COVID test and it doesn't test for COVID. The inventor (Kary Mullis) said so. Fauci is using the fake test to tell healthy people they're sick, so they take a poisonous COVID vaccine. Fauci did the same thing in the 80's, using the same faulty PCR to test for HIV, so that his uninformed victims would take a fatal AIDS medication called AZT. Fauci isn't a doctor, he's a war criminal....."

Dr. Anthony Fauci Plotted 'Global Vaccine Action Plan' with Bill Gates Before Pushing COVID Panic and Doubts About Hydroxychloroquine Treatments

Is this why Fauci has been so skeptical of hydroxychloroquine?

Dr. Fauci served a leadership role on the "Global Vaccine Plan" through partnership with the Bill and Melinda Gates foundation.

Naturally, he'll push back against the Hydroxychloroquine + Azithromycin treatment and instead opt for a patented vaccine.

DR. ANTHONY FAUCI IS GUILTY

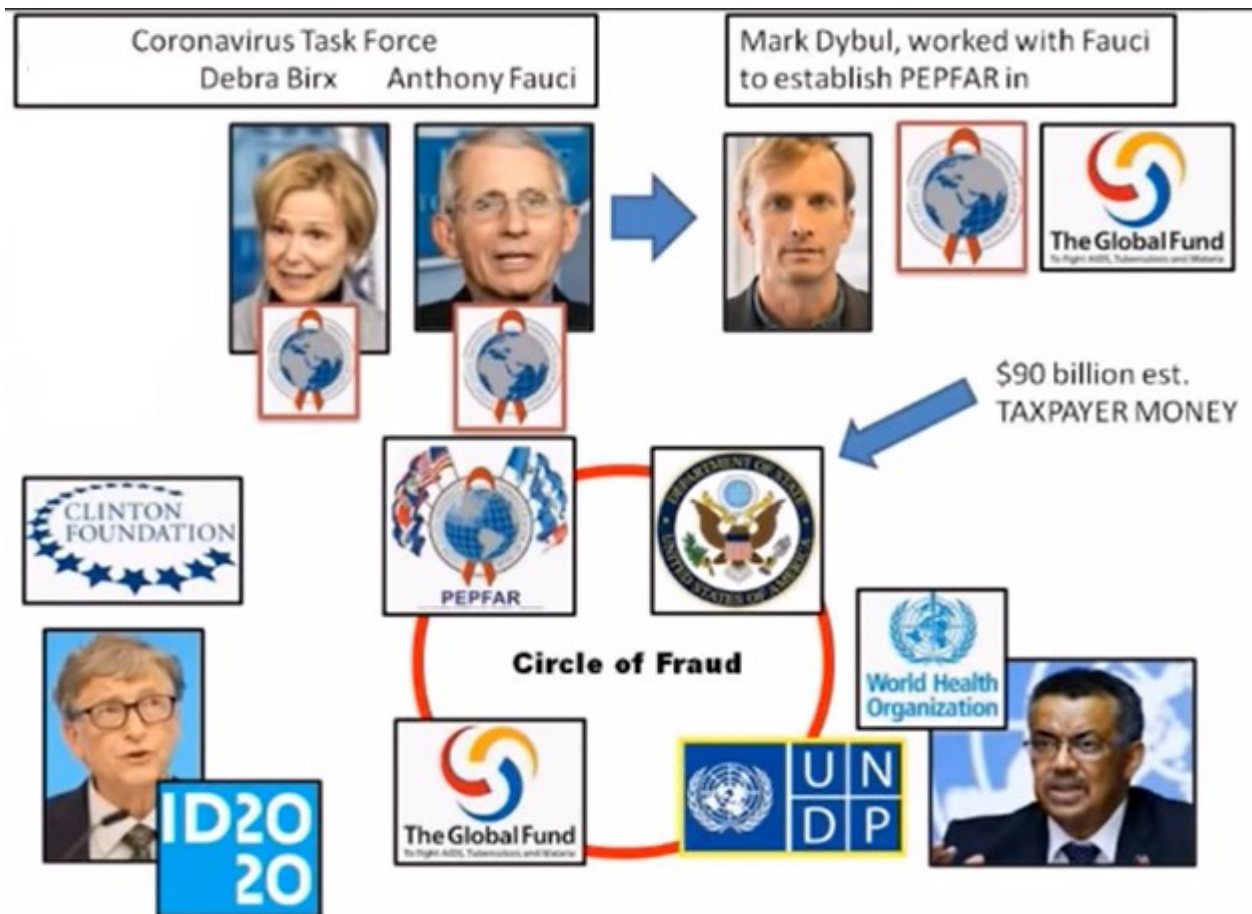

The extent of "Dr. Deep State's" corruption has just been exposed. Under the direction of Dr. Anthony Fauci, the health agency gave \$3.7 million to the Wuhan Institute of Virology. That means, according to Rudy Giuliani, "we paid for the damn virus that's killing us." Giuliani wants to get to the bottom of how it happened, especially since funding for that particular branch of research was prohibited by Barack Obama in 2014, entirely because of the danger. Fauci allowed the funding of the prohibited research. President Trump's attorney, Rudy Giuliani, wants to know why the United States gave a bunch of money to the Wuhan Institute of Virology. Dr. Anthony Fauci was in charge when the grants were made to the "level four super lab" in Wuhan, China. That happens to be the place where they did all of their related coronavirus creation and research.
