

HEBREW SECRETS

VOLUME 2

In order to understand the beast, the number of the beast and the image of the beast in Revelation, you have to understand Hebrew idioms and definitions from the Greek and Latin languages. English really does not capture the clear picture. Understanding the Ancient Hebrew culture is very important for proper Biblical interpretation and without it the reader interjects his or her own cultural perspectives on the text. Modern Hebrew has fascinating idioms that developed from expressions found in Biblical Hebrew and Rabbinic Hebrew. Hebrew is slightly different than English. Learning idioms in this language is a fantastic way to greatly develop your understanding. Among the various definitions of idioms are: (1) the language peculiar to a people, country, class, community or, more rarely, an individual; (2) a construction or expression having a meaning different from the literal one or not according to the usual patterns of the language.

BREAKING DOWN THE THREE LETTERS OF 666

So let us break down the 3 letters of the 666, in case you have not yet figured it out. Look at the image below; it says it all:

Revelation 13: 18

Χξς'

666

Mark and Image of the Beast

Deciphering the Greek acronym

X - Chi (key)-ch:
abbreviation for Christ

ξ - Xi-abbreviation letter for Xulon: a beam from which anyone is suspended, a cross

ς' - Stigma (obsolete =st): a stigma is a hole, or mark, pierced with a pointed instrument. ...on the hands. Chi Xi Stigma (Strong's 5516) stigma is also a cross. Thus stigma references being nailed to a cross. Plural, stigmata (note: holes in wrong place)

X = 600
ξ = 60
ς' = 6

Χξς' - Christ,
on a cross,
pierced. viz.
a Catholic
crucifix

The number of the beast refers to a man (Christ) on a cross. This is Jesus Christ on a cross, who is revered (worshiped) by the entire religion of those who call themselves Christians! This is the image of the beast and if any man **worship the image of the beast**, the Bible says they are damned.

SIX HUNDRED THREE SCORE AND SIX

The meaning of six hundred threescore and six is as follows:

G5516

ΧΞϚ

chi xi stigma

khee xee stig'-ma

The 22nd, 14th and an obsolete letter (G4742 as a cross) of the Greek alphabet (intermediate between the 5th and 6th), used as numbers; denoting respectively 600, 60 and 6; 666 as a numeral: – six hundred threescore and six.

Total KJV occurrences: 1

It is the Greek letters chi, xi, and stigma. Now stigma is obsolete and also refers to a cross! So we have the number 666 being of a human being and a cross. Is our understanding beginning to kick in as yet?

What most people don't fully understand is that there is no "J" in the Hebrew language. The true name of the Messiah is YESHUA and not Jesus, Iesous (Greek) or Iesus (Latin).

Greek
Iesous

Latin
Iesus

Jesus or Yeshua?

Hebrew	Greek	Latin	Modern English
ישוע	Ἰησοῦς	IESVS	Jesus
Pronunciation	"There is no other name under heaven given among men by which we must be saved." - Acts 4:12		
YEH SHUA			
YEH SHUA	Letter 'A' dropped since there is no Greek character for Hebrew letter Ayin		
YEH SOU	SH dropped since there is no Greek character for Hebrew Shin		
IE SOU	Hebrew YEH = Greek IE, this is a Hebrew / Greek equivalent		
IE SOUS	Letter 'S' added in Greek as a Nominative Case Ending (indicating a name)		
IE SUS	Letter 'O' dropped in English transliteration, see the original King James Bible		
JE SUS	The Letter 'J' was introduced to the English alphabet in the 14th century A.D. replacing instances of the letter 'I' in later King James versions.		

The name 'Jesus' is a transliteration of the Hebrew name 'Yeshua', which is a shortened form of 'Yehoshua' (Joshua). The name 'Yeshua' literally means 'SALVATION'

THE NAME

**The Important Restoration Of
 The True Name Of The Messiah!**

Both Today, Biblical Aramaic, Jewish Neo-Aramaic dialects and the Aramaic language of the Talmud are written in the modern-Hebrew alphabet (distinguished from the Old Hebrew script). Aramaic and Hebrew (mostly Hebrew) were used in the Old and New Testaments, and they are the only two Northwest Semitic languages still spoken today.

Once you learn and know the true name of the Messiah, any other name would be incorrect and an insult. Acts 4:12: Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

Worship simply means adoration. The beast is the Roman Catholic religion led by the Pope. It is however not limited to the Roman Catholic religion, as the religion of Islam also contains the mark (666) chi xi stigma. Both are the two leading religions in the world. If any man partakes of those religions, he worships the beast. They honor the beast, exalt the beast, they have faith in the religion, they believe the religion can help them, they defend the religion as being true. God will destroy them.

In February 2019, The One World Religion (Chrislam) was officially started:
